Application No. 09/479,146

ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

This application was electronically received at the Board of Patent Appeals and Interferences on April 7, 2005. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the examiner. The matters requiring attention prior to docketing are identified below:

On June 30, 2003, appellant filed an amendment to amend the title of the invention and to amend such title on the specification. The examiner mailed an Advisory Action on July 16, 2003. However, the examiner does not indicate in his Advisory Action as to whether or not appellant's amendment filed on June 30, 2003 has been entered.

Accordingly, it is

ORDERED that the application is returned to the examiner to notify appellant as to whether or not his amendment

Application No. 09/479,146

filed on June 30, 2003 has been entered and for such further action as may be appropriate.
